

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

Further homogenization of ownership in media will mean fewer and fewer voices and viewpoints that reflect the myriad views, concerns and communities that make up our nation. Please help maintain and increase the diversity of voices in the broadcast media by protecting and strengthening the regulations governing diversity in media ownership.
